

Congratulations on your upcoming wedding!

Thank you for contacting me and showing interest for me to be a part of your special day.

I can assure you I will do everything in my role as a hair stylist to ensure you look and feel your most beautiful.

With 6 year's experience in the wedding industry, I offer to give you the best experience with myself and advise you on my expertise.

Please take time to read the full terms and conditions within the next few pages as it should hopefully answer all the queries you're wondering.

the next steps of securing your
day. Bridal parties must be at
least 4 people. If the number is
below 4, you will be charged
£40.00 per person until it makes
up to 4 people.

Trial FAQ's

How long should I leave it before the wedding for my trial? This completely depends on how many looks you're wanting to trial out. If it's just the one, I would leave it at least 2 months before. If you're wanting to try a few looks or undecided on what to have – I would recommend 4 months before.

Should I wash my hair before the trial?

I always advice washing your hair the night before or if your hair is naturally oily and you feel comfortable washing it the morning of the trial, that's no problem.

If your hair is naturally frizzy- smooth over roughly with straighteners the morning of the trial.

If you are wanting your hair blow dried by myself on your wedding day, please mention this whilst securing your date.

I am wearing a veil and having hair accessories, shall I bring these to the trial?

Yes, definitely! Bring anything you're considering of having. I do provide hair accessories (not to take home or purchase) in the salon so you can trial out if you like any specific accessory.

If you're wanting your hair blow dried as part of your trial or on the day (as well as a hair up or half up half down look) you will be charged an extra £25.00-£30.00.

BRIDAL DOCUMENTS

Trials

For your trial, I recommend finding pictures of styles you would like to try out. It helps me get a clear idea of what style you like and what you feel most comfortable with.

From here I will be able to tell you whether the look is achievable with your hair type/length and thickness. We can also discuss hair padding to achieve certain looks or potential clip in extensions.

When booking your trial please state how many looks you would like to trial.

The best places for hair inspiration are on Instagram, google or Pinterest.

All trials are held in the salon, the location will be sent whilst booking the appointment.

Payment for trials will be taken on the day of the trial, as this is separate to your wedding day payment.

1 look £45.00

2 looks £70.00

This is for the bride and other member
of the bridal party

Only 2 trials can be held in
one appointment, if you
wish to have more, please
notify me so I can book out
more time or we can book
another appointment

Travel

I do offer a mobile and in salon service for your wedding day. Whether this is in the comfort of your own home or to the venue of your choice. If you wish for a mobile service, additional fees will be added for travel and time. A travel quote is dependant on your location. This is discussed on the next steps of securing your wedding date.

Payments, Booking fee & Cancellations

A £50.00 booking fee is made to secure your wedding day. Please note, if you wish to cancel your wedding date at any point, your £50.00 booking fee will be non refundable.

Your £50.00 booking fee will be taken off the total quote.

In the unlikely event that I must cancel due to sickness, injury or personal emergencies – I will ensure I will try my best to find a replacement hair stylist of a similar standard to myself. This however, cannot be guaranteed.

Payment for the wedding day is to be paid at-least 24 hours before the wedding date, as this helps the day run as smooth as possible.

If any members of the bridal party wish to cancel their place – you will need to let me know as soon as possible. If it is within 30 days before the date, their fee will still be applied to the final quote. If this takes the total amount of people to under 5, £40.00 per person will apply until it makes it up to 5 people.

Timings on the day

At the trial, or upon consultation over message - I will discuss a time to arrive and a time to have all the bridal party ready by, this will be dependant on the time of the wedding.

As I work all my timings out perfectly for the day, I always allow extra time to make it a stress free morning and to ensure there is no rushing.

However, if a member of the bridal party decides to change their style once the look is completed, there will be an additional fee of £30.00 to cover the extra time spent. If there is a possibility this could happen, I advise a trial beforehand.

Photography

On the trial appointment, I will be taking pictures of all the looks we've created. This will be stored for the day and sent through to yourself. I will also be taking pictures on the wedding day which won't be posted until 24 hours after.

The pictures that are taken on the trial appointment or wedding day, may or may not be used on my social media @sarahcadleyhair and my website www.sarahcadleyhair.com

By signing and agreeing to these bridal documents, you are confirming that you have no objection to your photos being used in this way. If you do object to your photos being used, please inform me as soon as possible.

Accessories

If you wish to add any hair pieces, accessories, veils, vines or flowers in your hair or for any member of the bridal party – I advise you bring these to the trial.

I always love using hair accessories so I would always advise researching into this.

I do not provide these items. I also do not provide hair extensions but I can recommend places to get accessories and hair extensions from.

Hair products & Allergies

For weddings I use a variety of products/ heated tools to ensure your hair style is secure and will last throughout the day as much as possible.

It is your responsibility to notify myself of any health complaint, skin complaint or sensitivity to any part of your body, scalp or face that you're aware of.

It is also your responsibility to ensure any other member of the bridal party notifies myself also.

Hair Prep

You will need to have your hair pre washed the day/ night before the wedding and the trial day. If your hair tends to get oily/greasy quickly and you would feel more comfortable washing it in the morning, that's no problem. If you prefer to wash it on the day, you will need to ensure your hair is 100% dry.

If any member of the bridal party would like their hair blowdried for their style, as well as a hair up/ half up half down etc, there will be an additional cost of the blowdry which will be £25.00-£30.00 extra.

If any one would like to add on a blowdry service, please notify myself.

The next step

Thank you for taking time to read through my bridal documents. If you are wanting to secure your wedding day with myself, please find the 'BRIDAL HAIR ENQUIRY FORM' on my website at www.sarahcadleyhair.com

Please fill out and submit this form and I will be in contact with yourself as soon as possible.

I will contact you to inform you whether I have your wedding date available, if so, we will then discuss the following steps.

Thank you
Sarah x
