Hair Trials

Trials can be booked for 1 or 2 styles. Make sure you bring pictures from any styles you wish to trial. From the front and back angles.

Before or at your trial, we can discuss if the style you're wanting is achievable with your hair type. We will discuss if you need any extra padding or clip extensions for thickness. I provide padding which is included in the price. I do not provide hair extensions but can recommend places to purchase.

I recommend booking in for your hair trial 2 - 3 months before your wedding date.

Always arrive with your washed and roughly dried smooth from the morning or night before.

Blowdries are not included in your hair trial.

Please state if you would like a blowdry added to your appointment, this will be added as an additional cost.

Please bring along any hair accessories or veil you wish to trial out at the appointment.

I provide a selection of hair accessories to trial, which aren't available for purchase.

Trials are held at the salon in Preston, Lancashire. The address and postcode will be given when securing the trial appointment.

Payments. Deposits & Cancellations

Your wedding date will be secure with a £50.00 non refundable deposit. The £50.00 deposit will be taken off your personalised quote.

In the unlikely event that I must cancel due to sickness, injury or personal emergencies - I ensure to try my best to find a replacement stylist of a similar standard to myself. This however, cannot be guaranteed.

The remaining payment is to be paid at least 24 hours before your wedding date. If you wish to remove any members of the bridal party, please let me know as soon as possible. If it is 30 days before the wedding, their fee will still be applied to the final quote.

Timings on the Day

A schedule and timings for the wedding day will be discussed and confirmed at the hair trial appointment.

Please make sure to check if your venue or photographer would like you to be ready for a certain time to ensure I can schedule hair timings around this for a smooth morning.

If any members of the bridal party decide to change their hair style after the look is finished, there will be an additional £35.00 to cover the extra time spent. If there is a possibility this could happen. I would advise a hair trial before hand.

Hair Prep

All members of the bridal party must wash and dry their hair within 24 hours before the wedding to achieve the best style possible. For any members with curly/frizzy hair that wish to have a smoother style. Please ensure they smooth over their hair at least the night before to save time.

Photography

On the trial appointment, I will be taking pictures of the looks we create. These pictures will be for myself and will be sent to yourself. I will also be taking pictures on the wedding day which won't be posted for 24 hours after the wedding.

The pictures that are taken on the day of the wedding and the trial appointment, may or may not be used on my social media accounts and my website.
